Branch General (Education)

Subject Letter No. 595 dt 23/5/, from the Dy Commr, Tumkur, Regarding the accommodation to be provided for the Empress Girls' School Tumkur

The question of constructing a building on a suitable site for the Empress Girls' School, Tumkur was under consideration for a long time and at last Govt decided that a portion of the Nunsuffi Compound at the place was the best available site under the circumstances and sanctioned the grant of the site for the purpose (Vide GO No 9716-20 & the 19th December 1920 Ed F 34-26

In para 2 of the same order the DC was asked to submit a plan and estimate for a

Flag-

new buildng together with in-
formation as to how the cost
could be met, but he has not
yet submitted the information

7 – appears from his letter
dated 3 Sept that he finds
difficulty in procuring sufficient
funds –

The Dy Commr, Tumkur,
now States, that a building for
the School, near the Munsiff's
Court will not be suitable
on account of the disturbance
caused by the noise of the large
number of people attending the
Court and he therefore ~~suggests~~
makes the following Suggestions.

1) The assigning of the Taluk
Cutcherry building for the School
It is said that this building
is suitable in every way and
that the Supdt of Edn is agreeable
to the arrangement

2) The Taluk office, the Sub Registrar's
office and the District Lock up
which are at present held in
the Taluk Cutcherry building

may be removed to the Dy
Commr's Residence. It is also
Stated that the present buildings
is not spacious enough to hold
all the above offices

That the buildings known
as Dobb's Bungalow which is
now temporarily occupied by
the Dy Commr, may be made
the permanent Residence of the
Dy Commissioner

If the above proposals
are sanctioned, no additional
cost will be required for the
constructing of the School build-
ing except some small amount
for repairing the buildings

× Slip A

Col Bowen in his Notes dated 14th × May 1881 proposed that "Dobb's Bungalow" at Tin Kuni should be reserved as a residence for H H the Maharaja when on tour in that part of the Country, and Sir Shesha Iyer ordered that the Bungalow should be maintained as a Govt House for State purposes

On this account, Col Macaulay, the then Military Secretary had this Bungalow under his Control as regards occupancy only. Subsequently the building was excluded from the list of Government Houses placed under the direct Control of the Military Secretary as regards Establishment and occupancy vide Govt Proceedings (PW) no 215-9×/1335-42 dated 29 s 97

× Slip B

Only in cases where the buildings were not available for temporary occupation by Deputy Commissioners, permission was granted to the Dobb's Bungalow being utilized for the purpose vide Government Pros. no R 259-61 of 11th July 1902 However I have no objection to this Bungalow being used as the Deputy Commissioner's residence as proposed, if His Highness the Maharaja approves of it, as it seems to be now never used for the purposes

Submitted to the Dewan Sahib for orders

S No 1

Vol 95

From The Deputy Commissioner Tumkur

Sdw 98 d 98

To The Secretary to the Govt of H.H. the Maharaja of Mysore General and Revenue Depts

Dated 23rd }
Despatched 25th } May 1904

Received

General No 595
No

Enclosure No 2

Placing before Government the question of establishing the Government Girls School at Tumkur

No 595-

2 Deputy Commissioner's office
Tumkur District

Dated, Tumkur, 25th May 1904

From

K Doraswami Iyer Esqr
Offg Deputy Commissioner
Tumkur District

To

L Anantasami Rao Esqr B.A
Secretary to the Government of
His Highness the Maha Rajah
of Mysore General and Revenue
Departments

Sir,

I have the honor to place
before Government a question
of suitably housing the
Government Girl's School
at Tumkur The question
has been long pending and
meanwhile the School has
been steadily growing in
public favour and in its
needs

needs of Extended accommoda-
-tion It is now held in a wit-
-ad-house which is low roofed
and dilapidated and ill
lighted and ventilated every
way for a school

2 It was once proposed
to construct a new building
but a suitable site was not
available after a good deal of
trouble to find one, it was resolved
as a last resource to cut off a
part of the Sheriff's Court Com-
-pound and erect thereon the
new School which here two or
years ago I thought that the
proximity of a Sheriff's
Court was objectionable with
its large Concourse of people
disposed in various parts of the

Compound

4 Compound engaged in a discussion of a varied range of topics including not infrequently cases of domestic infelicity and other matters unsuitable for children of tender years to hear No doubt there would be a wall and a high one too between the School and the Court but of what avail the wall in shutting out objectionable Conversation from the ears of the little girls And so as regards a new building, apart from the question of cost, we have to decide against it for want of a suitable site

5 The Talbot entirely disinclined themselves admirably

to

to the requirements of a public
school The situation is unex-
-ceptionable and the arrange-
-ments of the rooms round
an open quadrangle would admit
additional pupils if so desired
The Inspector General of Educa-
-tion thinks so too and has
been asking my predecessors
and me if the building cannot
be made available for the public
school I enclose a Copy of
his last letter and beg to state
that I am in favour of the
proposal The requirements of
the Sheriffs office and Court
and of his records, of the Sub
Registrar's office and of the
District Lock up are not
adequately met by the
present

b

present building alone extend-
-ed accommodation is a
necessity. I enclose a Copy of
Mr. M. S. Narayan Rao's letter
of the 7th January 1903 to the
Executive Engineer asking for
an estimate of the cost for
fitting up the old Jail building
into a Taluk Cutcherry and
Lockup the cost of putting
them in order and to suit
them for the purpose intend-
-ed would run high ~~[illegible]~~
~~[illegible]~~
Moreover a Taluk Cutcherry
should not be located so far
out of the town the reasons
are apparent And further
the few round rooms therein
are used year after year as

a

a Plague Hospital Government
are aware that when the Plague
comes to Tundur it stays a good
length of time I beg to propose there
-fore that the Jail buildings be left
to their present use The Deputy
Commissioner's residence may be
converted into the Taluk Cutchery
being every way suited for that
well besides answer the require-
-ments of the District Reserve en,
Police and the Special Reserve
who are now occupying a few
rooms in it for want of other
accommodation The buildings
is in need of repairs to floor and
roof and I believe the Executive
Engineer has got up an estimate
for them

4 This building was vacated
by Mr M Subbarayan Rao Last year
during the Plague owing to dead

Rats

vacate being found unfit He was
allowed to occupy the building
known as Dobbé's Bungalow
by the Courtesy of the Chief
Engineer Mr Puttanna Chetty
occupied it subsequently and
I am in it now pending the
execution of the necessary
repairs to the Deputy Commissioner's
residence In case Government
are pleased to accord their
sanction to my proposals -
Dobbé's Bungalow may be made
the Deputy Commissioner's residence
5 I should have addressed you
on this subject some time ago
but pressing work from many
directions intervened I beg
that you may be so good
as to place these papers before
the Dewan for such orders

as

as he may see fit to have 9

Office of the Inspector General
of Education in Mysore

Camp Nundidroog, 18 May 1904

From

N J Bhabha Esqr,
Inspector General of Education
in Mysore,

To

H Doraiswamy Iyer Esqr
Deputy Commissioner,
Tumkur District

Sir,

I have the honor to inform you that the Empress' Girls' School Tumkur requires better accommodation than it has at present in a rented house situated in a crowded locality. Last year during the prevalence of plague the School had to be closed for six months as the School building was situated in a crowded part of the town. There is great difficulty in obtaining a suitable rented house, sufficient funds for

for Constructing a new building
for the School I understand that
the Taluk cutchery is somewhat
cramped in its present building
The Taluk cutchery building
is by its site and Construction un-
suitable for the requirements of
the School, and with slight im-
-provements it will make an
admirable school house. If
accommodation can be found
for the cutchery in the old Jail
building which is at present not
in use If you approve of this re-
-distribution of buildings, I should
be glad if you would be good enough
to move Government to sanction it
at your early convenience

I have &c

Deputy Commissioner's Office
Tumkur District

Dated, Tumkur, the January 1904

From

C. N. Selvanayagam Esqr
Deputy Commissioner
Tumkur District

To

C. Madhava Rao Esqr
Executive Engineer,
Tumkur Division

Sir,

I have the honor to state that I have found that the accommodation provided for officials in the building in which the Sessions Judge Kachery is held is utterly insufficient and there is hardly any proper accommodation for prisoners in the rooms now used as Lockup. I am prepared therefore to convert the old Jail building

building into a Taluk Cachery
I beg you will favour me with
your opinion on the subject,
and send me also an Estimate
of the probable cost of fitting
it up for the purpose The
Lockup and the District
Reserve Police may also be
located there and provision
should be made for this also
in the Estimate

I have &c

Signed M S Narayan Rao
Deputy Commissioner

Copy
